

## TO DENTAL MASTERS CLIENTS ---

We are pleased to announce Dental Masters has endorsed Dental Arts Laboratory as the nation's leader in high-quality fixed and removable restorations.

Dental Masters was founded in 1950 by Len Kulwicz and grew under the leadership of Mike Kulwicz, CDT.

Dental Arts Laboratory began in 1934 by founder, Adolph Kneuppel, followed in 1960 by his son Terry. Dental Arts grew over the decades, spurred on by the addition of Bruce Colgin in 1967. Today the Colgin family continues DAL's legacy with Rob Colgin and his sister Maggie Dempsey at the helm.

Dental Arts is recognized nationally as a leader in high-quality Fixed and Removable Prosthetics. The specialized Dental Arts Signature Team crafts state-of-the art Advanced Restorations, including Esthetic Ceramics, Implant Restorations and Full-Arch Implant-Retained Prosthetics.

Dental Arts maintains a close affiliation with the prestigious Dawson Academy. The lab is a valued resource for technical support and advanced education. The Dental Arts Digital Technology Center features the latest technology Desktop Health 3D printers and Roland 5-axis mills.

Beyond the solid, consistent quality DAL delivers, as a Dental Arts client, you will be eligible to receive an iTero Scanner and Dell Laptop. To order your scanner and laptop, please call Jillian Davies, 707-975-0412. Installation, training, and support are included.

**Streamline your restorative workflow.**  
Prescribe success with the iTero  
Element Flex and DAL!

iTero  
Element Flex

Dental Masters is committed to dental restorations that are made right, delivered on time, and supported by highly experienced technicians.

**Dental Arts shares this same commitment.**

TELEPHONE: 800-227-4142

**PLEASE NOTE: Your account will be auto-set up by Dental Arts with your next case.**

Case boxes are sent to Dental Arts using their FedEx shipping labels. Call DAL 800-227-4142 to schedule FedEx pick-up.

Remember: With an iTero Scanner, you can scan for ANY restoration or device – And, your digital impression will arrive at Dental Arts in seconds-- with just a click on your laptop.

On behalf of the Dental Masters Team – past and present—thank you for the opportunity to serve you. Beginning with my dad, Len Kulwicz, CDT, in 1950 to today—nearly 74 years later, we have been blessed with team members dedicated to high-quality craftsmanship. I am proud to endorse the Dental Arts Team to carry on our tradition of expert service and consistent high quality.

Michael Kulwicz, CDT (707-975-0005)
